

RESOLUTION NO. RS2018-1347 (GILMORE) – This resolution would approve an agreement between Vanderbilt University Medical Center, Department of Allied Health and the Metropolitan Board of Health. The agreement would provide clinical experience for students enrolled in the Dietetic Externship program. Students would not receive any compensation.

The term of the agreement would become effective upon execution and continue until February 28, 2023. Either party may terminate the agreement upon 30 days' written notice. The school would be required to provide assurance that the students are covered by health and professional liability insurance and the school agrees to assume responsibility for all of its students participating in the program.

Fiscal Note: There would be no cost to the Metropolitan Government for participating in this program.
